9 August, 2023 London and Frankfurt

London and Frankfurt 9 August, 2023 – Frankfurt listed, German Fintech leader, The NAGA Group A.G. (XETRA: N4G, ISIN: DE000A161NR7), a leader in the German fintech industry offering innovative online brokerage services and operator of the All-in-One Financial Super App, has announced a ground-breaking partnership with Rezolve AI Limited. The integration of Rezolve's AI platform, 'Brain', into Naga's proprietary technology and its social trading app, 'NAGA Trader' as well as 'NAGA Pay' is set to redefine user experience, providing real time personalised and intelligent market analysis, enhanced trading proficiency across multiple languages.

NAGA provides an online social trading platform (both Web and App) for Social Trading, allowing its users to invest in different assets such as currencies, stocks, ETF's, commodities and crypto all together with its own unique ePayments solution. Rezolve AI's 'Brain', with its advanced AI algorithms, machine learning, and its NLP engine (natural language processing) capabilities, will enhance Naga's ability to offer NAGA users a unique AI experience that is set to revolutionise the traditional way of experiencing online social trading and mobile payments.

NAGA users will be able to converse with Brain in any one of 95 languages, as naturally as communicating in real time to a human stockbroker over the phone. They can gain a deep understanding and personalise market trends and insights, receive invaluable guidance for making smart investment decisions, and learn how to optimally use Naga's social trading platform. This multilingual capacity not only enhances NAGA user experience but also widens NAGA's global user base.

Benjamin Bilski, CIO of NAGA commented: "The timing for this partnership is just perfect. We have been preparing our data infrastructure and indexing capabilities to plug it in with advanced AI language models for months and using Brain transforms our vision into reality. Implementing Brain's AI into NAGA will further automate our client's journey and lead to the highest degree in personalization. Users will intuitively understand NAGA social trading platform and their own trading performance better than ever before. In addition, NAGA's unique social graph allows traders to benchmark their performance with other traders automatically. From this day on, our ability to connect real-time market data, economic events, and news intelligently with our users' portfolios, positions us and gives us a genuine USP over competitors."

Michael Milonas, CEO of Naga, expressed his enthusiasm about this partnership, stating: "By integrating Rezolve AI's 'Brain' into NAGA, we are enhancing our platform with unprecedented intelligence and accessibility. This is a significant step towards our mission to build a truly unique, global, tech based and now AI driven financial All-in-All Super App that is second to none and in doing that, strive to deliver shareholder value. The future is truly, NAGA!"

Daniel Wagner, CEO of Rezolve AI, echoed these sentiments, adding, "Our collaboration with Naga is a testament to our commitment to revolutionising industries with AI. With Brain's integration, Naga users can engage in intuitive, conversation-based interactions, unlocking insights and making data-driven decisions. We're excited about setting a new standard in the online trading landscape."

The introduction of Rezolve AI's 'Brain' into Naga social trading platform marks an exciting development in the fintech sector, as AI and human insights converge to offer superior multilingual trading experiences.

Editors Notes: Brain is designed for businesses, consumers, and academic institutions to ingest and analyse their own proprietary content focussing on product catalogues but not restricted to them. For instance, academic institutions can upload dissertations, which Brain can then summarise and analyse, providing critical insights and understanding.

These adaptable Brain functions integrate seamlessly with existing systems across a wide array of industries, promoting a seamless transition into this innovative AI era. The functionalities of Brain can be tailored to suit specific needs, from enhancing customer service interactions to optimising returns management and refining after sales support.

Forward-Looking Statements

This press release includes "forward-looking statements" within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995 and within the meaning of Section 27a of the Securities Act and Section 21E of the Exchange Act. Any actual results may differ from expectations, estimates and projections presented or implied and, consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, statements regarding the proposed business combination and related transactions, including, without limitation, the pre-closing demerger. These forward-looking statements are subject to a number of risks and uncertainties, including, among others, (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the proposed business combination; (2) the outcome of any legal proceedings that may be instituted against Armada, Rezolve AI Limited, Rezolve AI or others following the announcement of the proposed business combination and any definitive agreements with respect thereto; (3) the inability to complete the proposed business combination due to the failure to obtain approval of the stockholders of Armada or shareholders of Rezolve AI Limited or Rezolve AI, to receive regulatory approvals or to satisfy other conditions to closing of the transactions contemplated under and in connection with the Business Combination Agreement, including, without limitation, with respect to the pre-closing demerger; (4) the ability to meet stock exchange listing standards following the consummation of proposed business combination; (5) the risk that the proposed business combination disrupts current plans and operations of Armada, Rezolve AI Limited or Rezolve AI as a result of the announcement and consummation of the proposed business combination; (6) the ability to recognize the anticipated benefits of the proposed business combination, which may be affected by, among other things, competition, the ability of the combined company to grow and manage growth profitably, and retain its management and key employees; (7) costs related to the proposed business combination; (8) changes in applicable laws or regulations and delays in obtaining, adverse conditions contained in, or the inability to obtain regulatory approvals required to complete the proposed business combination; (9) weakness in the economy, market trends, uncertainty and other conditions in the markets in which Rezolve AI Limited or Rezolve AI operate, and other factors beyond their control, such as inflation or rising interest rates; (10) the possibility that Armada, Rezolve AI Limited, Rezolve AI or the combined company may be adversely affected by other economic, business, and/or competitive factors; (11) the ability of existing investors to redeem and the level of redemptions; and (12) additional risks, including those to be included under the header "Risk Factors" in the Registration Statement and those included under the header "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements" in Armada's Annual Report on Form 10-K for the year ended September 30, 2022 and the Quarterly Reports on Form 10-Q filed by Armada for the quarterly periods ended December 31, 2022 and March 31, 2023 and September 30, 2023. If any of these risks materialize or Armada's, Rezolve AI Limited's or Rezolve AI's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that none of Armada, Rezolve AI Limited or Rezolve AI presently know or that Armada, Rezolve AI Limited and Rezolve AI currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Armada's, Rezolve AI Limited's and/or Rezolve AI's expectations, plans or forecasts of future events and views as of the date of this press release. Armada, Rezolve AI Limited and Rezolve AI anticipate that subsequent events and developments will cause Armada, Rezolve AI Limited's and Rezolve AI's assessments to change. However, while Armada, Rezolve AI Limited and Rezolve AI may elect to update these forward-looking statements at some point in the future, each of Armada, Rezolve AI Limited, Rezolve AI and Rezolve AI Merger Sub specifically disclaim any obligation to do so, unless required by applicable law. These forward-looking statements should not be relied upon as representing Armada's, Rezolve AI Limited's and Rezolve AI's assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.

No Offer or Solicitation

This press release is for informational purposes only and does not constitute an offer or a solicitation of an offer to buy or sell securities, assets or the business described herein or a commitment to Armada, Rezolve AI Limited or Rezolve AI, nor is it a solicitation of any vote, consent or approval in any jurisdiction pursuant to or in connection with the proposed business combination or otherwise, nor shall there be any offer, sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law.

Participants in Solicitation

Armada, Rezolve AI Limited, Rezolve AI, Rezolve AI Merger Sub and their respective directors and executive officers may be deemed to be participants in the solicitation of proxies of Armada's stockholders in connection with the proposed business combination. Information about the directors and executive officers of Armada may be obtained in the Registration Statement, Armada's filings with the SEC, including Armada's initial public offering prospectus, which was filed with the SEC on August 16, 2021, and Armada's subsequent annual report on Form 10-K and quarterly reports on Form 10-Q, all of which is available free of charge at the SEC's website at www.sec.gov. Information about the directors and executive officers of Rezolve AI and more detailed information regarding the identity of all potential participants, and their direct and indirect interests by security holdings or otherwise, will be set forth in the definitive proxy statement/prospectus for the proposed business combination when available. Additional information regarding the identity of all potential participants in the solicitation of proxies to Armada's stockholders in connection with the proposed business combination and other matters to be voted upon at the special meeting, and their direct and indirect interests, by security holdings or otherwise, will be included in the definitive proxy statement/prospectus, when it becomes available.
